provisions, which shall remain in full force and effect.

PART C - MAINTENANCE FUND

All lots in said subdivision shall be subject to an annual maintenance charge of \$30.00 per lot; provided, however, this charge may be raised from time to time by Ayrshire Corporation or its successor committee, but in no event shall exceed \$50.00 per lot.

Such maintenance fund shall be payable in advance to Ayrshire Corporation, or its designated agent, on or before January 1, 1965, and on or before January 1 of each succeeding year thereafter during the period in which these restrictions are in force. Provided, however, at such time as 50% of the lots in said subdivision are sold, the owners of the lots may create a committee which shall replace Ayrshire Corporation in the collection of this fund and performance of the duties herein set forth. An express lien is hereby granted to Ayrshire Corporation or its successor committee to secure payment of such maintenance charge, but such lien shall be inferior to liens granted by the undersigned parties for improvements made upon said lots. All funds collected by Ayrshire Corporation or its successor committee hereunder shall be used for the purpose of maintaining the streets, parks, drainage ditches and walks, or any other facilities which are made or maintained for the benefit of the subdivision as a whole.

It is contemplated that additional properties may hereafter be subdivided into one or more additional sections of Sagemont, to be known as Sagemont, Section 3, Sagemont, Section 4, etc. In this connection such additional sections will, when so subdivided, be subjected to restrictive covenants comparable to these restrictions and specifically to

a maintenance charge identical to the one herein established. It is herefore provided that the Sagemont Committee herein created shall have jurisdiction over, and the right to levy, collect and enforce such maintenance charge on the lots in such additional sections if and when the same are created. It is further provided that whenever an election of members of the Sagemont Committee is held after the date any additional section of Sagemont has been duly subdivided and subjected to said restrictions and maintenance charge, any lot owner in such additional section which is in existence at the time of such election shall have equal voting rights with each and every owner in the subdivision covered by these restrictions and shall also have the right and privilege to be a candidate for, and eligible for, membership on the Sagemont Committee. Ayrshire Corporation, however, specifically reserves the right to determine and prescribe the date upon which the maintenance charge upon lots in any additional section shall become effective and begin to accrue annually. It also shall be a condition precedent to the provisions of this paragraph becoming in any way effective and enforceable, that appropriate reference to this paragraph be made in the restrictive covenants imposed upon any such additional section thereby adopting the provisions of this instrument to the end that the restrictions and maintenance charge imposed on all sections be construed and administered collectively and in harmony with each other.
